Why we do what we do...

Why we sell out: The truth is BBQ is not easy, we love what we do. There are no shortcuts to doing it right. Our smokers burn 24-hours a day; stoked by Minnesota oak & uncompromising passion to make the very best BBQ available. It truly is an art, **quality over quantity**. We make it fresh daily. We make it just for you & your family to enjoy. Just like Jason & Beth have done for their own family for years.

That's why we SELL OUT.

At Fozzie's Smokin Bar-B-Q is a husband & wife BBQ slingin' team. It started back in 1996, when Jason & Beth first started dating. They were hitched in 2001 & now three rugrats later, Abigail, Lincoln & Elijah. Jason & Beth started Fozzie's Smokin Bar-B-Q in 2013 with just a little concession trailer that grew into what we have to day.

LOW AND SLOW IS HOW WE ROLL.
