Fozzie's Smokin Bar-B-Q is a husband & wife BBQ slingin' team. It started back in 1996, when Jason & Beth first started dating. They were hitched in 2001 & now three rugrats later, Abigail, Lincoln & Elijah. Jason & Beth started Fozzie's Smokin Bar-B-Q in 2013 with just a little concession trailer that grew into what we have today.

LOW AND SLOW IS HOW WE ROLL.

Our burgers are cooked to order. Uncle Sam wants you to remember, consuming raw or undercooked meats, poultry, or eggs may increase your risk of food-borne illness.

Why we do what we do...

Why we sell out: The truth is BBQ is not easy. We love what we do. There are no shortcuts to doing it right. Our smokers burn 24 hours a day, stoked by MN Oak and uncompromising passion to make the very best BBQ available. It is truly an art.

Quality over Quantity.

We make it fresh daily. We make this for you and your family to enjoy, just like Jason and Beth have been doing for their own family for years. That is why we SELL OUT.
